CIVIL DESIGNER

Civil Group | Fishers, Indiana

02/19/2020

Overview:

Hamilton Designs is looking for a motivated and hardworking Civil Designer to join our Civil Group. The position will work on commercial and residential land development projects as well as athletic field design. The ideal candidate will be a properly trained or experienced professional with (4) years of private sector land development experience.

Responsibilities:

In this position, you will have the opportunity to work on exciting projects and prepare finished products for private sector land development projects under the direct supervision of a Professional Engineer. The position will specifically create civil construction documents utilizing Autodesk Civil 3D and generally work as a team member to meet the goals of the group.

Requirements:

- Working knowledge of AutoCAD and Civil 3D preferred
- (2) years of relevant experience with a civil engineering consulting firm preferred
- Ability to build plan sets and other construction documents
- Design experience in multi-acre retail development that includes utilities, site layout, drainage, due diligence and permitting

Qualifications:

- Associate Degree or higher in Computer Aided Drafting, Civil Engineering, or related field
- Strong sense of urgency and self-initiative to meet client deadlines
- An entrepreneurial spirit
